March 18, 2019

1:00 PM

Chairman Bruner called the meeting to order. Commissioners Larry Haman, David Medalen and Bryan Bruner were present. Commissioner Boutilier attended via phone and Commissioner Bergstad was absent.

A motion was made by Haman and seconded by Medalen to declare an emergency due to deep ground frost levels causing water problems in several cities in the county. Motion carried unanimously.

The board discussed the request from the Sheriff's Department to acquire a bloodhound. A motion was made by Haman and seconded by Medalen to require the Sheriff's Department to provide proof of need and how it will be self-funded now and into the future, as the board is not willing to spend county funds on this project. Motion carried unanimously.

At 2:20 PM, there being no further business to come before the board at this time, a motion was made by Haman and seconded by Medalen to adjourn.
